

Mental Illness Fellowship of Australia (NT), (MIFANT), is a leading non-profit organisation providing services for people living with a mental illness and their carers and families in the NT.

MIFANT is the NT representatives of the nationally recognised organisations: Mental Illness Fellowship of Australia and Mental Health Carers Arafmi Australia and have been providing services in the NT for over 30 years.

We are currently seeking a motivated, experienced Programs Manager to support a small team in a program providing high quality support for children and young people who are at risk of developing mental health issues. The purpose of this program is to provide early intervention to reduce the likelihood of the development of mental health issues in children and young people.

The Programs Manager will also oversee the established Carer Support Program.

To be successful in this role, you will need to demonstrate a strong personal drive with experience in developing and implementing community based programs, together with tertiary qualifications or relevant experience in social sciences or related fields . You will also have experience in supporting small teams to achieve identified program outcomes.
